

DECLARATION AND POWER OF ATTORNEY

As a below-named joint inventor, I hereby declare that:

My residence, post office address, and citizenship are as recited below next to my respective name.

I believe I am the original, sole, and first inventor of the subject matter that is claimed and for which a patent is sought in the invention entitled **Billing Workflow System For Crediting Charges To Entities Creating Derivatives Exposure**, the specification of which is attached hereto.

I hereby acknowledge that I have reviewed and understand the contents of the above-identified application, including the claims and drawings.

I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37 Code of Federal Regulations §1.56. As stated therein, information is material to patentability when it is not cumulative to information already of record in the file of the above-identified application or being made of record in the application, and (1) it establishes, by itself or in combination with other information, a prima facie case of unpatentability of a claim; or (2) it refutes, or is inconsistent with, a position we take in: (i) opposing an argument of unpatentability relied upon by the Office, or (ii) asserting an argument of patentability.

I hereby claim foreign priority benefits under Title 35, United States Code, Section 119(a)-(d) or Section 365(b) of any foreign application(s) for patent or Inventor's Certificate, or Section 356(a) of any PCT international application that designated at least one country other than the United States, listed below and have also identified below, by checking the box, any foreign application for patent or Inventor's Certificate or PCT International application having a filing date before that of the application on which priority is claimed.

I hereby claim the benefit under 35 U.S.C. Section 119(e) of any United States provisional application(s) listed below:

Application Serial No.	Date Filed
60/529,498	December 15, 2003

I hereby claim the benefit under 35 U.S.C. Section 120 of any United States applications(s), or Section 365(c) of any PCT International application designating the United States, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of 35 U.S.C. Section 112, I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, C.F.R. section 1.56 that became available between the filing date of the prior application and the national or PCT International filing date of this application:

ASSIGNMENT

WHEREAS, WE, Harold Miller (citizen of Great Britain), and **Julian Mark Toghill** (citizen of Great Britain), and **Tuan Pham** (citizen of Great Britain) residing at **14 Flower Lane, Mill Hill, London, NW7 2JB, United Kingdom**, and **Heron's Field, Cleave Way, Compton Down, Winchester, SO21 2AL, United Kingdom**, and **18 Jasmin Close, Bishops Stortford, CM234QF, United Kingdom**, respectively, have invented, developed, and/or have rights in certain technology and useful improvements in the field of network based systems, methods, architecture, and software (the "Technology"), which Technology is disclosed in: (1) Provisional Patent Application Serial No. 60/529,498, filed on December 15, 2003; and (2) United States Non-Provisional Patent Application filed on February 6, 2004 (collectively the "Patent");

AND WHEREAS JP Morgan Chase Bank ("ASSIGNEE"), a New York Banking Corporation having a place of business at 270 Park Avenue, NY, NY 10172, desires to acquire the entire right, title, and interest in and to the Technology and in and to the Patent;

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) in hand and other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to ASSIGNEE the entire right, title and interest in and to the Technology and in and to the Patent and all Patent and patent applications claiming priority to the Patent including divisions, continuations, and continuations-in-part thereof and all reissues, reexaminations, and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for Patent (including related rights such as utility-model registrations, registrations, inventor's certificates, and the like) heretofore or hereafter filed for the Technology and the Patent in any foreign countries, and all Patent (including all extensions, renewals and reissues thereof) granted for the Technology and the Patent in any foreign countries;

AND I HEREBY authorize and request the United States Commissioner of Patent and Trademarks, and any officials of foreign countries whose duty it is to issue Patent on applications as aforesaid, to issue all Patent for the Technology and/or the Patent in the name of ASSIGNEE in accordance with the terms of this assignment;

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to ASSIGNEE any facts known to us respecting the Technology and the Patent, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute, reexamination, and reissue applications, make all rightful oaths and generally do everything possible to aid ASSIGNEE to obtain and enforce proper patent protection for the Technology and the Patent in all countries.

In testimony whereof, I hereunto set my hand this _____ day of _____, 2004.
